

# A Pear Poem

Pears are delicious.  
Pears are nutritious.  
Red, Bosc, and Bartlett,  
Look for them in the market.  
Sweet, ripe, and grainy,  
Your taste buds go a bit zany.  
This fruit grows high in a tree.  
Full of fiber and vitamin C.  
Pears are delicious!  
Pears are nutritious!

# Sweet Beets

I love to eat  
Those sweet beets.  
Firm and round,  
Growing underground.  
Red, striped, or gold,  
Rich in iron I am told.  
Raw, boiled, or pickled,  
My tastebuds are just tickled.  
A root veggie treat,  
I love sweet beets!
